Verse 1 :

Em D

O how high would I climb mountains

C G

If the mountains were where You hide

Em D

O how far I'd scale the valleys

C G

If You graced the other side

Em D

O how long have I chased rivers

C G

From lowly seas to where they rise

Em D

Against the rush of grace descending

C G

From the source of its supply

Pre-chorus 1 :

C D Em

Cause in the highlands and the heartache

G D

You're neither more or less inclined

C D Em

I would search and stop at nothing

You're just not that hard to find

Chorus :

G

Oh I will praise You on the mountain

D

And I will praise you

Em

When the mountain's in my way

D

You're the summit where my feet are

C

So I will praise You

G

In the valleys all the same

G

No less God within the shadows

D

No less faithful

Em

When the night leads me astray

D

Cause You're the Heaven where my heart is

C

In the highlands

C

And the heartache all the same

Interlude : |**Em** |**D** |**C** |**G** |

Verse 2 :

Em **D**

O how far beneath Your glory

C **G**

Does Your kindness extend the path

Em **D**

From where your feet rest on the sunrise

C **G**

To where You sweep the sinner's past

Em **D**

And though how fast would you come running

C **G**

If just to shadow me through the night

Em **D**

Trace my steps through all my failures

C **G**

And walk me out the other side

Pre-chorus 2 :

C **D** **Em**

For who could dare ascend that mountain

G **D**

That valleyed hill called Calvary

C **D** **Em**

But for the One I call Good Shepherd

C

Who like a lamb was slain for me

Chorus; Interlude**Bridge :**

Em

Whatever I walk through

D

Wherever I am

C

Your Name can move mountains

G

Wherever I stand

Em

And if ever I walk through

D

The valley of death

C

I'll sing through the shadows

G

My song of ascent

(repeat 2x)

Interlude 2x**Tag :**

C **D** **Em**

From the gravest of all valleys

G **D**

Come the pastures we call grace

C **D** **Em**

A mighty river flowing upwards

From a deep but empty grave
